Explanatory Statement

Ordinary Business

Item 1 - to receive and consider the Financial, Directors' and Auditor's Reports for the financial year ended 30 June 2010.

A copy of the Vocus Annual Report 2010 is included with this Notice of Meeting. The Vocus Annual Report 2010 can also be found on the Company's website (www.vocus.com.au) under the "Investors" tab.

During discussion of this item, there will be an opportunity for shareholders to ask questions about, or comment on, the Reports and the management and performance of the Company.

Item 2 - Adoption of the Remuneration Report for the financial year ended 30 June 2010

The Company is required under the *Corporations Act 2001* (Cth) to include in the business of its Annual General Meeting a resolution that its Remuneration Report for the financial year be adopted. The resolution is advisory only and does not bind the Directors or the Company. During discussion of this item, there will be an opportunity for shareholders to ask questions about, or comment on, the Remuneration Report.

The Remuneration Report is set out in the Directors' Report section of the Annual Report 2010 and sets out:

- the principles used to determine the nature and amount of remuneration of the board and senior management;
- details of remuneration for executive directors and senior management;
- summaries of service agreements with executive directors and senior management; and
- details of share based compensation.

Board recommendation: the Directors recommend that shareholders vote in favour of Resolution 2.

Item 3 – Re-election of directors retiring by rotation

The experience of the directors offering themselves for re-election is as follows:

(a) **J K Brett – Non-Executive director** (Chair - Risk Management and Audit Committee)

Mr Brett has extensive experience in the areas of management, operations, finance and corporate advisory. Mr Brett's experience includes several years as managing director of a number of publicly listed companies and was also formerly the non executive deputy president of the NRMA. Mr Brett is currently on the board of several unlisted companies and is a director of IWPE.

Mr Brett holds a Bachelor of Commerce, Bachelor of Accounting, Masters Degree in Commerce and is a Chartered Accountant (SA).

Board recommendation – all of the directors recommend the shareholders vote in favour of this resolution.

(b) **J W Murphy – Non-Executive director** (Member Nomination & Remuneration Committee)

Mr Murphy is the Managing Director of Investec Wentworth Private Equity Limited, a private equity investment company and a director of Investec Bank (Australia) Limited. He has extensive experience in the areas of corporate recovery, corporate finance and mergers and acquisitions. Prior to establishing the IWPE Funds, Mr Murphy spent 26 years with an international accounting firm where he held national and regional responsibilities.

Mr Murphy holds Bachelor and Masters Degrees in Commerce and is a Fellow of the Australian Society of Certified Practising Accountants and is an Associate of the Institute of Chartered Accountants of Australia.

Board recommendation – all of the directors recommend the shareholders vote in favour of this resolution.

(c) Mr PD McConnell has resigned as a director, effective from the close of the meeting, but has not offered himself for re-election.

Special Business

Item 4 – Total directors' remuneration

The Company is required under Listing Rule 10.17 to obtain shareholders' approval for any increase in the total directors' remuneration payable. The limit does not include any amounts payable to executive directors under their executive service contracts, so is effectively the amount available for the remuneration of all non-executive directors.

In 2009, the total limit was set at \$43,600 being the total remuneration payable to John Keniry, the former non-executive chairman of the Company. The directors agreed that no remuneration would be payable to any directors associated with the Company's investment manager, Investec Wentworth Private Equity Limited, so no remuneration was paid to the remaining directors. Investec Wentworth Private Equity Limited was party to a management agreement with the Company in terms of which it was paid a minimum annual fee of \$180,000.

The proposed total pool of remuneration available to non-executive directors of \$250,000 therefore represents a total increase of \$206,400 over the 2009 figure.

Board recommendation: the directors believe this is an appropriate cap on total remuneration payable to its non-executive directors and (other than those directors who are excluded from voting) recommend that the Shareholders vote in favour of this resolution.

Item 5 - Change to Constitution

On 28 June 2010, the *Corporations Amendment (Corporations Reporting Reform) Act 2010* (Cth) came into effect which, among other things, amended the test governing the circumstances in which companies may pay dividends. Prior to 28 June 2010, section 254T of

the Corporations Act stipulated that companies could only pay dividends out of profits. From 28 June 2010, the revised section 254T states that companies must not pay a dividend unless:

- the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

To ensure that the provisions of the constitution operate consistently with the requirements of the Corporations Act, it is proposed to replace Clause 59.1 (Power to Declare Dividends) of the Constitution of the Company with a new Clause 59.1 as set out in Resolution 3.

The effect of the new Clause 59.1 will be to ensure that the directors may declare or pay a dividend as they see fit, provided the tests in section 254T of the Corporations Act have been satisfied. The Board considers that the replacement of the original clause 59.1 of the Company's Constitution is appropriate, having regard to the recent amendment to section 254T of the Corporations Act.

A copy of the Company's constitution can be obtained before the meeting from the Company, and will also be available at the meeting.

Under the provisions of section 136 of the Corporations Act, the amendment of an existing constitution of a company requires Shareholder approval by way of a special resolution (ie, at least 75% of the votes cast by Shareholders entitled to vote on Resolution 3 must be in favour of that Resolution for it to be passed).

Board recommendation: the Board considers the proposed changes to the Company's constitution are appropriate to ensure the constitution remains compliant with the Corporations Act. The Board recommends that Shareholders vote in favour of this Resolution. Other than as Shareholders, none of the Directors has an interest in the outcome of this Resolution.

Item 6 – Issue of securities to Mr David Spence

(a) Introduction

In accordance with the ASX Listing Rules and the Corporations Act, Shareholders of the Company are asked to approve the grant of 200,000 options (**DS Options**) to Mr David Spence, a Director of the Company, under the Company's ESOP and the issue to Mr Spence of 200,000 ordinary shares at an issue price of \$0.50 per share (**DS Shares**).

The Directors consider that the grant of the DS Options under the ESOP and issue of the DS Shares constitutes the giving of a financial benefit to a related party of the Company under Part 2E.1 of the Corporations Act, which requires the approval of the Shareholders. The ASX Listing Rules also require the Company to obtain the approval of Shareholders to the issue of options to a Director under the ESOP.

The issuing of share options is an established practice in Australia as part of the remuneration of senior executives. In addition, the Company agreed, subject to shareholder approval to allow Mr Spence to acquire the DS Shares at \$0.50 per share, being the price at which ordinary shares were offered to the public under the Prospectus dated 16 May 2010. If no options were issued, the cash remuneration of Mr Spence, as Chairman of the Company, may have to be increased. Issuing options is considered a preferable alternative as the recipient benefits if the Company's share price increases –

in which case all Shareholders also benefit. This part of Mr Spence's remuneration is therefore directly related to the longer-term performance of the Company.

(b) Information required under ASX Listing Rules and the Corporations Act

In accordance with ASX Listing Rule 10.15 and the Corporations Act, the following information is provided in relation to the issue of DS Options to Mr Spence:

Names of the allottees or the basis upon which allottees will be identified or selected:	Mr David Spence, Director, or his associates.

Maximum extent of voting power in the Company after the issue of shares:	At the date of this meeting, the Company has 51,069,053 ordinary shares on issue. If all the DS Options were exercised Mr Spence would hold approximately 0.4% of the issued shares in the Company.

Dear valued securityholder

LEGISLATION CHANGE - WHAT THIS MEANS FOR YOU

The Australian Government recently introduced legislation allowing the default option for receiving annual reports to be via a company's website. You will now receive timely, cost effective and greener online annual reports unless you request a printed copy. You can choose to be notified by email when the annual report becomes available on our website at [www.samplecompany.com.au] otherwise this information will be provided in your AGM mail pack. All other securityholder communications will continue to be sent to you by post.

WHAT ARE YOUR OPTIONS?

- OPTION 1**  Elect to receive email notification when your annual report and other securityholder communications become available online.
- OPTION 2**  Elect to continue receiving, free of charge, a printed copy of the annual report.
-  If you take no action, information on accessing your online annual report will be provided in your AGM mail pack.

If you have any questions about this form please contact an investor services representative on 1300 850 505.

Yours sincerely

Mark Simpson
Company Secretary
